Eligma

COOKIES

October 2019

As a controller of your personal data, Eligma Ltd., registered in Slovenia under company registration number 8106452000 and with business address at Letaliska cesta 33F, 1000 Ljubljana, Slovenia, EU ("**Eligma**"), uses cookies on the goc.eligma.com website ("**Website**").

1. WHAT ARE COOKIES?

Cookies are small text files that are downloaded to your computer when you visit a website and usually contain the name of the server from which the cookie was sent, the cookie's expiration time and its value (a randomly generated unique number).

The cookie itself does not contain or collect information. However, if read by a server together with a web browser, the cookie can help the website to provide more user-friendly services, e.g. to remember your username and password for future registration. Cookies are not harmful and are always time-limited.

2. THE PURPOSE OF COOKIES

The purpose of cookies is to improve website functioning and the user experience in website viewing. Cookies make the interaction between you and a website faster and easier. They enable the website to remember your personal preferences and experiences. This saves time and makes website viewing more efficient.

3. ELIGMA'S COOKIES

Some of the cookies we use are temporary (also known as session cookies), but some are saved on your device for a certain time period, also after you have left our website. We use session cookies to measure the number of our website visitors, which helps us check the efficiency of our content display and enables continuous website improvement. Persistent cookies, however, enable us to save your contact information for subsequent website visits, so that you don't need to sign in any longer or that the website content display adjusts to your device. We also use third-party cookies originating from other sites like Facebook, Twitter, Google, etc.

In addition to these, we also use cookies to determine how you navigate our webpages, what content you are interested in and how long your visits last. Based on this, we can shape the content of our webpages and adjust it to your requirements.

The data collected through cookies is processed exclusively for statistical purposes and for collecting demographic data and visitor interests (but only in such a way that your identity can not be revealed), for identifying server problems and for webpage editing.

The list of all the cookies is shown in the table below:

Cookie name	Uses	Type	Expiration	Domain
cookieconsent_status	Records the closure of a cookie notice.	First-party	1 year	goc.eligma.com

Eligma

_ga	Registers a unique ID that is used to generate statistical data on how the visitor uses the website.	First-party	2 years	goc.eligma.com
_gat_gtag_UA_1 13594960_9	Used to throttle request rate.	First-party	10 minutes	goc.eligma.com
_gid	Registers a unique ID that is used to generate statistical data on how the visitor uses the website.	First-party	At the end of the session	goc.eligma.com
__cfduid	Set by the CloudFlare service to identify trusted web traffic. It does not correspond to any user ID in the web application nor does it store any personally identifiable information.	First-party	5 years	goc.eligma.com

4. CONTACT

If you have any questions or comments in connection with the cookies, we are available at support@gocrypto.com.
